Ordering Information

Please read the following information carefully

How to Order

For your convenience we can accept MAIL, PHONE and FAX orders. All plants sent through the mail are bare root.

| mail

Complete all sections on the form. Please print clearly. If you need additional space you may photocopy the form or include an extra sheet of paper. Detach the form and post together with cheque, money order or credit card details to **Meads Daylily Gardens 264 Learoyd Road Acacia Ridge QLD 4110**.

| phone

Complete order form, have credit card ready to provide number & expiry date & call us on **07 | 3273 8559**.

| fax

Complete order form, include credit card number and expiry date and fax your order to **07 | 3273 5797**.

Time of Shipment

Wherever possible, all Mail Orders are despatched within 14 days of receipt. Mail orders are processed on Mondays. Please advise if you have a preferred shipping date, for example: Send after 1st June; ASAP; or in two weeks time. We will ensure that your order will not be sent prior to this date. All plants are dug immediately prior to posting, ensuring their freshness.

Please note: we do not process mail orders from mid December to the end of March. In our experience this time of year is too hot for Daylilies and Iris to be posted as it puts too much stress on the plants. Orders received during this period will be held over until the beginning of April.

Substitutes

We seldom need to substitute plants, but on occasion we either sell out of a particular variety or the variety chosen is unsuitable for your climate. In these rare cases we will substitute with a similar cultivar of the same or higher value (at no extra cost) or choose a plant from your Wish List. If you do not want any plants substituted and a refund issued, please mark the order form accordingly.

Bonus Plants

All Daylily and Louisiana Iris mail orders over \$50 receive bonus plants to the value of 20% of the plants ordered. These will be chosen by us, specifically to suit your climate. Please complete the Wish List at the bottom of the order form, you may find some of these included as bonuses.

Please note: bonuses do not apply to collections.
